Lani,

Good morning! I'm still not able to provide comments on the Portland Harbor site – the memo from the NRRB isn't yet out. Hopefully next month...

Take care! And thanks again to you and Abe for your great work on putting together our newsletter!

Subject: News for the OHHRRAF Newsletter

Good morning – I'm working with Abe Parker at EMS on the production of the next OHHRRAF newsletter. If you have any news regarding the Remedy Review Board's activities for this month's newsletter, I would appreciate it if you could e-mail it to me by **Friday, January 22**.

The states newsletter will include all Risk News, Events, and Training items; the states newsletter will not include reports or information from internal EPA workgroups.

Thanks very much --
